GAME 7

2 Boys.

Two people are in a sack. They have a stick. They defend their quarter of the arena. Members of the opposing teams throw firework propelled Christmas cakes into the ring. The people in the sacks try to push them out of their area before they explode. The winner is the team with the least number of cakes which explode in their area.

1 GIRL

Two members of the team sit in a sledge pulled by a reindeer (two people inside). They throw balls at the Christmas tree. The teams race to catch the team in front, and burst the hoop at the back of the sledge. When the hoop is burst, the team is eliminated. The winner is the team with the most balls on the Christmas tree.

* BY STICKING BALL ON OTHER SLEDGE'S IDENT.

GIACON°

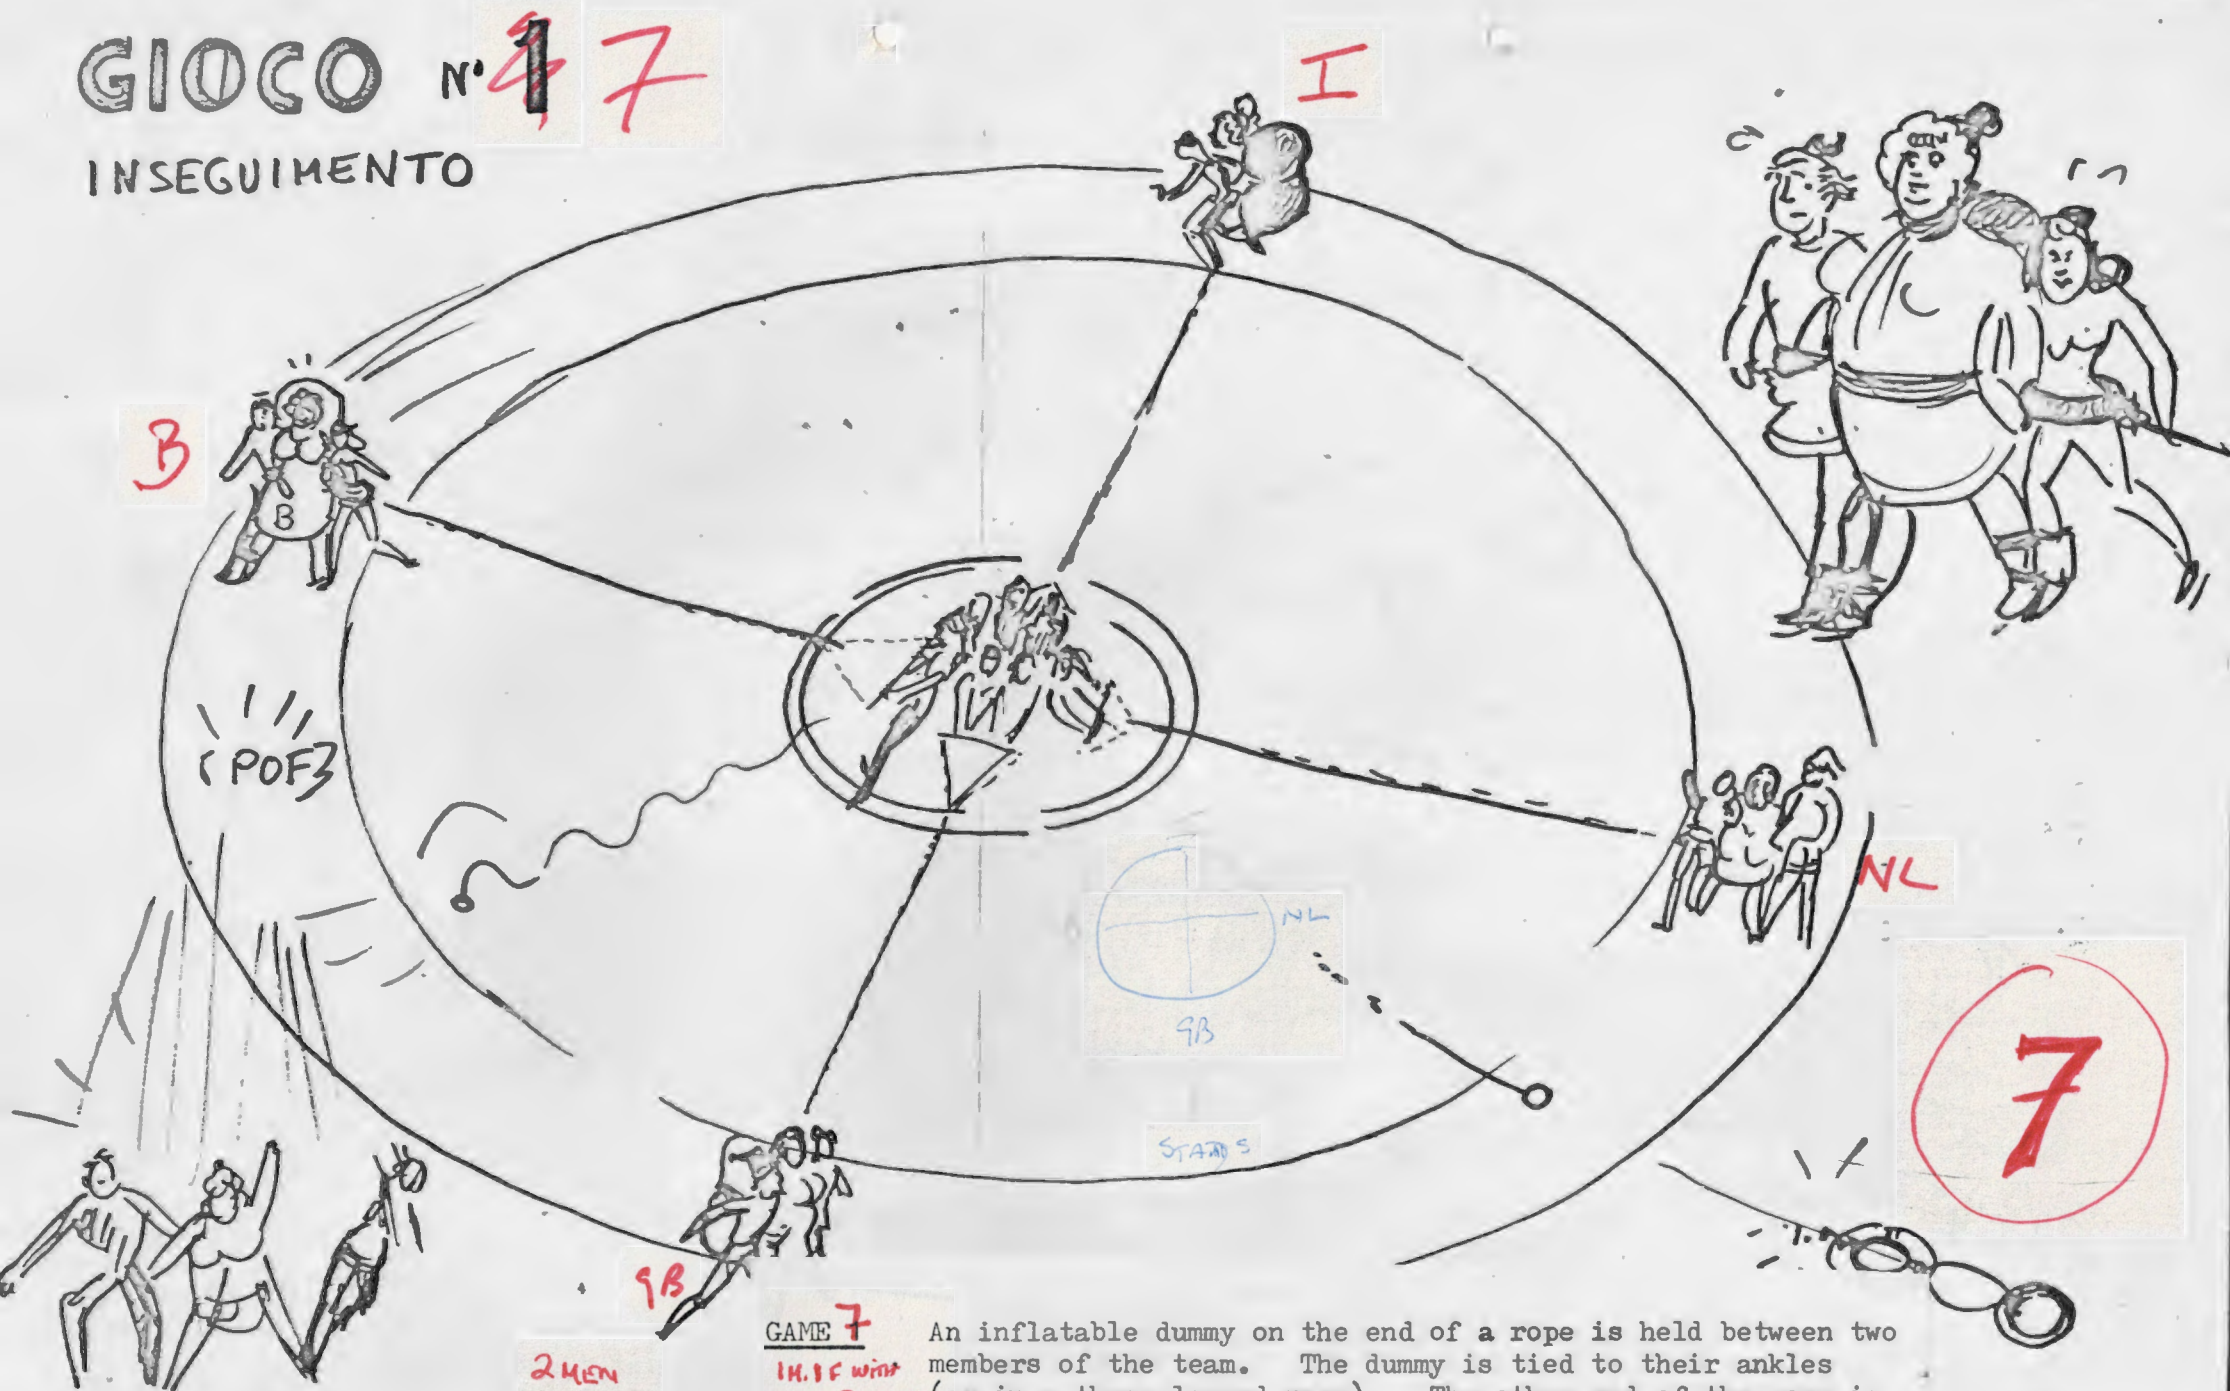

One member of the team tries to cross from one island to the other by means of a bridge which he builds from blocks on the island. He is dressed as a bear. Two members from an opposing team push a girl on a disc (as in curling) to try to knock away pieces from the bridge. The winner is the first to complete a bridge and cross from one island to the other.

- DUMMY

1 MIN HAJIX

An inflatable dummy on the end of a rope is held between two members of the team. The dummy is tied to their ankles (as in a three legged race). The other end of the rope is held by another member of the team in the centre of the ring. The teams race to catch the team in front of them. When a team is caught, they are eliminated.
